Serial No.

Letter No. 1188/218/E1 dated 20/11/1946 from the D.C.E, Madras Area, Madras.

Forwards the application of Mr. Aziz Ahmed Khan, S.O. B/R (Tech) Gr, Bangalore for the post of an Assistant Engineer in the Mysore P.W.Dept.

Mr. Aziz Ahmed Khan states in his application that he is an Engineering Graduate of the Mysore University, having taken his degree in 1944. He requests that he may be appointed as an Assistant Engineer in the Mysore P.W.Dept. He further states in his letter that the Subordinates of the Mysore P.W.Dept whose services had been lent to M.E.S have been promoted as Asst Engineers in the Dept. This is not correct. They have reverted to their original appointments held by them and no concessions have been shown on their reversion.

~~There are no vacancies in the Asst Engl Cadre to which he could be appointed.~~ He may perhaps be appointed as a Surveyor on Rs 80/- + Rs 15/- C.A. as in the case of other Engineering Graduates, in view of the paucity of B.E. Candidates in the Dept. If appointed, he will be required to

Revered Sir,

I beg your leave to submit the following for the favour of kind consideration and orders.

I am a graduate in Civil Engineering of Mysore University, having passed the degree examination held in the year 1944 in second class. Soon after the successful completion of the course, I got myself actively engaged in the Civil Engineering profession and since then have been pursuing it with deligence. With a view to contribute my mite to country's war effort, I joined the Military Engineering Services as Sub Divisional Officer Buildings and roads and have acquitted myself most honourably at all times. Having been appointed in Bangalore, I have executed a major project efficiently and later posted as Technical Assistant to Garrison Engineer, Bangalore, have been responsible for planning and estimation of projects, compilation of contracts and scrutiny of estimates and bills besides gaining all round experience of works.

Throughout my service of two years in the Military Engineer Services, which is recognised "War Service", I discharged the responsibilities entrusted to me to the fullest satisfaction of my superiors and enriched their appreciation by honest and efficient work. The remarks

of my superiors will bear testimony to this effect. Besides, I have added to my qualifications by undergoing the training courses for the S.D.Os. held at Bangalore (Jalahalli) and School of Military Engineering, Roorkee and passed the concerned examinations with distinction. My salary in this department has been Rs.170/- per month excluding allowances.

War having been over, demobilization of the army has begun and Personnel of Military Engineer Services are being released for activities in Civil Life. While thus spared, I cherish a desire to join the Mysore Public Works Department and serve the benign Government of Mysore. It is, therefore, my prayer that the benign Government of Mysore be pleased to appoint me in the post of an Assistant Engineer which corresponds to that of the S.D.O., held by/in M.E.S. and thus kindly favour me with an opportunity for rendering loyal Services to the State. In this connection, may I invite your attention the fact that some overseers and subordinates of Mysore P.W.D., who were lent to M.E.S., and rendered good service as S.D.Os. were on recommendation of War Department promoted to honourary Assistant Engineers in the State. Likewise, I hope that in consideration of good services rendered in the War Department and in view of my qualifications and experience you will be kind enough to recommend my appointment as prayed for and pave the way for the fulfilment of my desire.

For which act of kindness and generosity I shall ever be grateful to you.

I beg to remain,
Sir,
Your most obedient servant.

Bangalore,
Dated 1st November'46.

Fazl Ahmed Khan
